

Shipping Instructions

**for Suppliers
Kistler Locations in Germany**

Introduction

These shipping instructions apply as of 11 November 2021 to deliveries of goods to the locations indicated in section 1 with “EXW-Incoterms 2020” or “FCA-Incoterms 2020” pricing.

They include all carrier specifications for global procurement logistics.

We reserve the right to make changes to these specifications if necessary. They will enter into force at the time the new version is posted on our internet platform www.kistler.com.

In the event of failure to comply with the shipping specifications, we will be obliged to charge you for any difference in transport charges with respect to our terms and conditions.

3. Package Shipments

3.1 Shipping Method

Within the scope of procurement logistics, the Kistler Groups accepts only shipments processed using *UPS Domestic Standard* service.

The standard delivery time for UPS Domestic Standard Service is 1 business day, depending on the point of departure.

UPS Express Shipping is permitted only upon prior consultation with the dispatcher or buyer at the respective location!

These handling instructions apply to packages weighing up to 32.0 kg per item. The maximum length per package is 270 cm. The maximum dimension (length + girth) per package is 330 cm.
